*Disclaimer:*

**Important Information for Attendees:** Through its seminars, conferences, and expos, the Producer of this Event makes available to the attendee a variety of independent sources that offer trading and investment advice and related services and products. This forum provides a unique opportunity for the attendee to become informed about trading and investment choices, to hear respected market specialists, to question speakers and exhibitors, to observe, evaluate and compare. The Producer does not itself offer, sponsor or promote, directly or indirectly, any investment, trade, trading or investment advice, or information on any product or service offered by speakers or exhibitors. The appearance of a speaker on the program or the rental of exhibit space to a company or individual does not constitute an endorsement. Every trader and investor should consider all advice and all offerings of products and services on their own merits and for suitability to the individual's personal needs and circumstances.

**The Producer has no responsibility or liability for the advice, offerings or other actions of exhibitors or speakers. Exhibitors and speakers are independent business people or entities not subject to the Producer's direction or control. The Producer has no standing and no means or process by which we can adequately monitor or control an exhibitor's or a speaker's oral or written representations. Accordingly, every investor or trader should undertake such due diligence investigation as he or she feels is necessary for any contemplated investment or trade.** Nor can we investigate transactions by exhibitors or evaluate the merits of any dispute with an exhibitor. In these circumstances we suggest that if any dispute arises with an exhibitor or a speaker it should be pursued directly with the exhibitor or speaker and, if the situation warrants, use of any available remedy under appropriate law or regulations should be considered.

The producer strives to provide equal opportunity to all qualified persons to participate in this Event. To further that objective, the Producer will work to provide reasonable accommodations under the Americans with Disabilities Act for any person requesting accommodation, either in writing or by telephone, at least ten (10) working days prior to the first day of the Event. The Producer will make a reasonable effort to accommodate any request. However, due to the difficulty of providing some types of accommodations, the Producer cannot guarantee accommodation, especially late requests made without ten (10) working days' prior notice.

The risk of loss in electronic active trading or day trading can be substantial. You should, therefore, carefully consider whether such trading is suitable for you in light of your circumstances and financial resources. Attendees need to be wary of advertisements or other statements that emphasize the potential for large profits in active investing and day trading. Active investing and day trading can also lead to large and immediate financial losses.

The Producer owns the right to use your likeness or photograph taken at the Event for its own promotional purposes.

All content/material presented at this Event is protected under U.S. and international copyright laws. By attending, you agree not to copy, reproduce, record, video, photograph, upload, post, transmit, publish or distribute any material in any form, without the express written permission of the Producer. Exceptions are reserved only for members of the press with pre-approved press credentials from the Producer.

By attending the Event, you acknowledge that the Producer has a legitimate business interest in attracting exhibitors, speakers, media partners, sponsors, other attendees and other participants (collectively "Participants") to the Event. Based on this, and as consideration for the Producer granting your request to participate at the Event, you hereby agree that during the term of the Event, you will not distribute materials or solicit other Participants at the Event in connection with any product or service. The Producer reserves the right to revoke the registration of any prospective attendee determined to have previously engaged in disruptive or inappropriate behavior or to have violated other conditions for attendance at prior Producer events, and to eject or refuse entry to any attendee exhibiting similar behavior.

By attending the Event, you acknowledge that the Producer has an "established business relationship" with you and therefore has the right to contact you by phone or email concerning future events and/or productions.

Agreeing to have your badge scanned by an exhibiting company's representative constitutes an inquiry about the company's products or services and an approval by you to receive future contacts from the company involved. It also provides your consent to having your mailing and email address provided by Producer to that third party so they can send you information about their products or services.

Attendees to NOIC must comply with current guidelines for large group events set forth by the Producer of the Event, venue, local and state government. Attendee understands that if regulations are not followed and attendee is asked not to participate in any portion of the in-person NOIC that no refunds will be given. Attendee agrees to

defend, hold harmless and indemnify the Producer of this Event and other parties listed from any and all causes of action, claims, demands or losses of any nature whatsoever brought by third parties arising out of or in any related to contagious disease or any other communicable disease and attendance at this event.

This notice and the respective obligations of the parties shall be interpreted in accordance with the laws of the State of Louisiana without regard to conflict of law provisions. Jurisdiction and exclusive venue for any disputes shall properly lie in a court of competent jurisdiction in Orleans Parish in the State of Louisiana.
